Speaker Presentations/Handouts Available Online Only

In order to keep registration and conference expenses to a minimum, all speaker presentations and handouts for this event will be posted on the MoATA web site at <http://www.moata.net/2017-student-and-educators-conference-presentations/>. You can view the handouts 1 week prior and up to 1 month after the event. *Please Note: paper copies of these handouts will NOT be available onsite* at this education event.

Educational Objectives

The Missouri Athletic Trainers' Association (MoATA), is approved by the Board of Certification, Inc. to offer continuing education for Certified Athletic Trainers.

Specific Learning Outcomes Related to the Conference

At the conclusion of the conference the participant should be able to:

1. Understand the use of Osteopathic Manipulative Medicine as a conjunctive method of pain relief following musculoskeletal injuries.
2. Identify various screening tools utilized during the PPE for detecting individuals at risk for congenital or acquired heart conditions.
3. Assess various methodologies for integrating IPE and developing educational opportunities to improve critical thinking skills.
4. Understand and apply new skills regarding intramuscular and subcutaneous injections as they relate to issues in athletic training

Conference Evaluation and Assessment

All attendees will receive an email within 1 week of the conference with a link to the post-event survey. Please complete this form in a timely manner so that we can assess the benefits to you as a participant, provide feedback to the speakers, and obtain suggestions for future improvement. Once completed, you will be sent your Statement of Credit.
