Past-President – MoATA

Re: Treasurer – MoATA Executive Committee

Ms. Newsham,

I am submitting my letter of interest for the position of Treasurer. I believe that my previous work experience would qualify me for this position.

I have been an Athletic Trainer for over 25 years which during this time I have maintained the budgetary and fiduciary responsibilities for prior employers as well as oversight of the medical insurance claims generated by student-athletes. I feel that I have a firm understanding of what is needed to be fiscally accountable to manage this responsibility.

I have enclosed my CV, and I would be more than happy to discuss my qualifications further with you and your committee. Thank you for your time.

Sincerely,

Kyle Blecha, LAT, ATC
