MoATA Executive Committee and Membership,

Please accept this letter as my application for the MoATA Treasurer role. I believe my experience qualifies me for this role.

I have spent nearly 20 years volunteering within state, district, and national membership associations in a wide variety of roles that have prepared me for handling the role of treasurer. Specifically my experiences in Kansas, the MAATA, and the NATA have prepared me for managing budgets as part of an executive committee. In Kansas I was the President-elect and reviewed financial reports and served as a member of the executive committee. As the Chair of the MAATA Research Grant Committee, I was tasked with managing a budget, allocating funds, and maintaining a permanent record of disbursements. My role as a Board Member for the NATA Foundation has included the reviewing of financial reports, making budget allocation recommendations, and holding other members accountable for decisions.

Following graduate school, as I entered the field, MoATA was the first membership association I joined. While my career took me to several other states, I have come full-circle back to where I started. I am motivated to assist MoATA in any way I can.

Sincerely,

A handwritten signature in black ink that reads "W. David Carr". The signature is written in a cursive style with a large initial "W" and a long, sweeping underline.

W. David Carr, PhD, ATC
