Clinical Experience

University of Kansas Health System Overland Park, KS
PRN Athletic Trainer II August 2018- Present

Provided health care on an as needed basis for the University of Kansas Health System.

University of Kansas Health System Overland Park, KS
Athletic Trainer II July 2014-August 1, 2018

Oversee the recognition, treatment and rehabilitation of approximately 800 student-athletes at Shawnee Mission North High School, a KSHSAA class 6A institution. Administered our athletic department concussion program and acted as an advocate for the student-athletes with non-orthopedic health issues. Revised policies and procedures and developed an Emergency Action Plan with input from our physicians. I recommended new programs, such as a sports safety summit and middle school concussion program to the program director of youth sports medicine. Also was part of the documentation task force to write a policy for the youth sports medicine department.

Kansas City Bone and Joint Overland Park, KS
Athletic Trainer May 2014-July 2014

Coordinated all office functions for a fellowship trained hand surgeon. Use electronic medical records program to approve add on patients in clinic, order x-rays, answer patient questions/phone calls and schedule surgeries. Import therapy reports and other external correspondence to the EMR system.

Barrington High School Barrington, IL
Lead Athletic Trainer July 2008-January 2014

Oversaw the recognition, treatment and rehabilitation of approximately 1500 student-athletes at an IHSA class AAA institution. Supervise athletic training staff, including 2 full time assistants and student workers. Administered our athletic department concussion program and insurance policy. Revised policies and procedures to include standing orders and our concussion policy with assistance from team physicians.

WCS Occupational Rehabilitation and Sports Medicine Palos Heights, IL
Athletic Trainer November 2005-July 2008

Used evidence-based manual and exercise techniques to perform rehabilitation of injured athletes and workers under the supervision of a physical therapist. Worked in conjunction with the coordinator of athletic training services to provide outreach coverage to a variety of clubs/high schools.

Windy City Thunderbolts
Head Athletic Trainer

Crestwood, IL
May 2005-October 2005

Oversaw all aspects of medical care of 24 professional baseball players from stretching to evaluation to treatment and rehabilitation. Worked extensively with all medical professionals from the team physical therapist to team chiropractor to team physicians. Scheduled and assisted with all preparticipation physicals. Filled and followed up on all worker's compensation claims.

Delaware State University
Head Athletic Trainer

Dover, DE
October 2002-May 2005

Oversaw the recognition, treatment and rehabilitation of approximately 325 student-athletes at an NCAA Division I institution. Supervised athletic training staff, including student workers. Administered our athletic department insurance policy and acted as an advocate for the student-athletes with non-orthopedic health issues. Revised policies and procedures and included standing orders from our team physicians. Revised drug-testing policy and administered NCAA drug testing. Primary coverage responsibilities included football, wrestling and softball. Directed athletic training coverage of women's soccer, men's and women's basketball and baseball.

Morgan State University
Assistant Athletic Trainer

Baltimore, MD
February 2002-July 2002

Assisted with the prevention, recognition and rehabilitation of approximately 330 NCAA Division I athletes. Oversaw scheduling and education of student athletic trainers. Assisted with insurance claim processing. Assisted with drug testing. Primary coverage responsibility was men's and women's track. Assisted with the coverage of spring football and softball.

Red River Valley Sports Medicine/Concordia College
Co-Head Athletic Trainer

Moorhead, MN
August 1999-February 2002

Oversaw the recognition, treatment and rehabilitation of approximately 550 student-athletes at an NCAA Division III college. Established a policies and procedures manual. Orchestrated the purchasing of supplies and budgeting for the athletic training room. Worked closely with area physicians to provide the best quality health care for the student-athletes.

University of Wisconsin-Platteville
Assistant Athletic Trainer

Platteville, WI
February 1997-May 1998

Assisted the head athletic trainer with the prevention, recognition, treatment and rehabilitation of injuries incurred by student-athletes. Provided supervision of student athletic trainers. Primary coverage provided to volleyball, cross-country, wrestling and softball.
